

Parish Council Speed Watch Statement

Yalding Parish Council has a volunteer speed watch program.

The necessary speed watch equipment belongs to Yalding Parish Council and sits on Yalding Parish Council's asset register.

The Parish Council appoints a speed watch coordinator to run this program, recruit volunteers and arrange training via Kent police.

The Parish Council, in conjunction with the speed watch coordinator and taking advice from Kent police agree the areas suitable for speed watch locations.

The procedures and risk assessment are controlled by Kent Police. All Yalding volunteers, including the coordinator are registered with them.

Kent Police's Speed watch Standard Operating Procedure can be found on the link below:

www.kent.police.uk/foi-ai/kent-police/Policy/operational-partnerships/speed-watch-

Adopted on 1 April 2025

To be reviewed annually at the Annual Parish Council Meeting (See Minutes of that meeting)
